

December 3, 2015

Dear Friends,

Thank you so much for your very generous donation to support Paws of War. Our mission is simple, "Helping both ends of the leash". We are honored to be able to support our veterans suffering from PTSD and TBI by supplying them with serviced dogs. Our dogs were once on death row at shelters across the United States. Now they have not only been rescued by our team, but are skillfully trained and prepared to serve our military veterans.

Your donation allows us to continue this mission. Each dog requires transportation from shelters to our facility, veterinary care, and months of training. After the dog is placed with his/her veteran follow up training is crucial for both the veteran and the dog so they can maintain a symbiotic relationship and experience a lifelong friendship of love and loyalty. There is no cost to the veterans.

For your tax purposes, our Federal ID number is: 46-5113396.

Thank you again and have a blessed day.

Sincerely,

Dori Scofield
Vice President

GOR has received a contribution from: Cow Harbor Warriors INC.

Processing Date:	12/3/2015
Net Contribution:	\$20,000.00

Together we save them!

Paws of War 34 East Main Street, Suite 303 Smithtown, NY 11787
